
We've met in college.

It's just that, compared to others.

Even so if she dumped you it was just because of that...
Don't blame yourself.
Man, so you're unexpectedly a virgin?

Bullshit
...

I just wanna catch one more time.

Go back safely.
You too!

I'll do better...
Still talking like this?

Jung Won.
Don't make me
talk twice.
Shouldn't
you get it?
I'm sick and
tired. Stop it.

Hope I have nothing to see anymore.

?!
Fuck
What a scrape.

Oh?

Just go.
I saw you.
You don't understand?

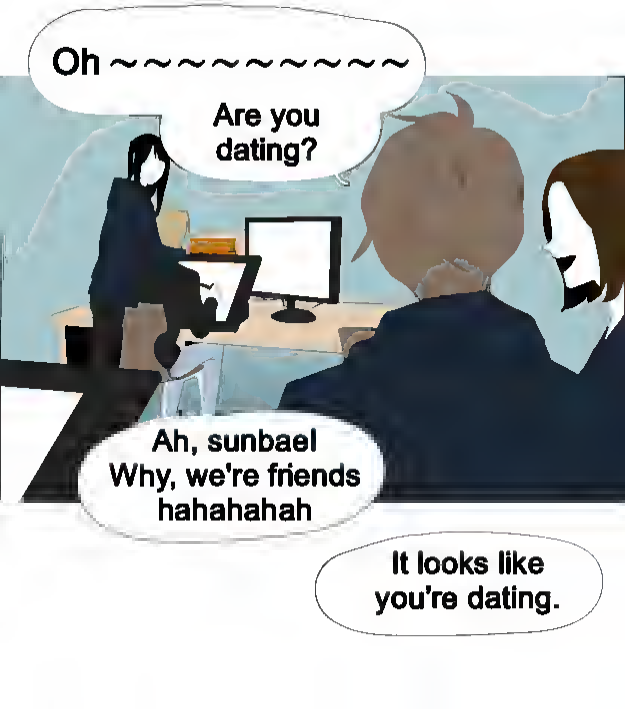
Why, since I wanna talk are my lips itchy?

Oh.
It's itchy
to death.

If you cry you become uuugly.
Maybe will it be a rumor at school by tomorrow?
Or erase it with a snap.

It's a bad year. Totally.
Hahah, crazy. What did you say? Ugly.
HA HA HA.
Just get yourself together.
Wipe your nose hahah crazy hahahah

Leter on, we spent our time carelessly.

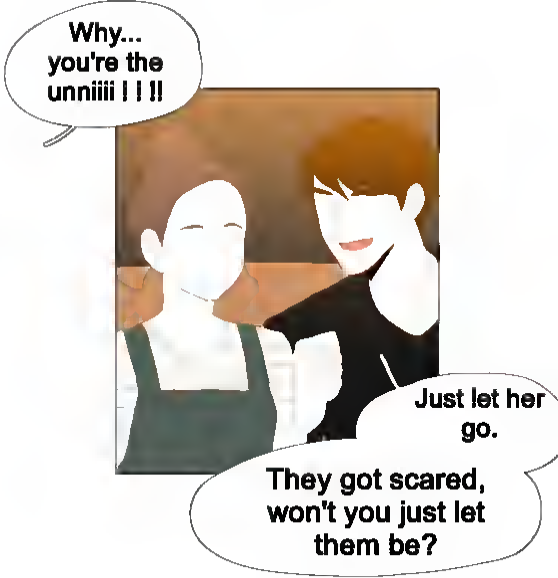


Oh ~~~~~~~~~~
Are you dating?
Ah, sunbael Why, we're friends hahahahah
It looks like you're dating.

Maybe since then my heart had been shaken by her.

However, I didn't have the courage to change our relationship.

Aigoo I feel dizzy. I wanna go home now.
Unni please take me in front of my house.
Oh? You go?
You're crazy. So impolite girl.



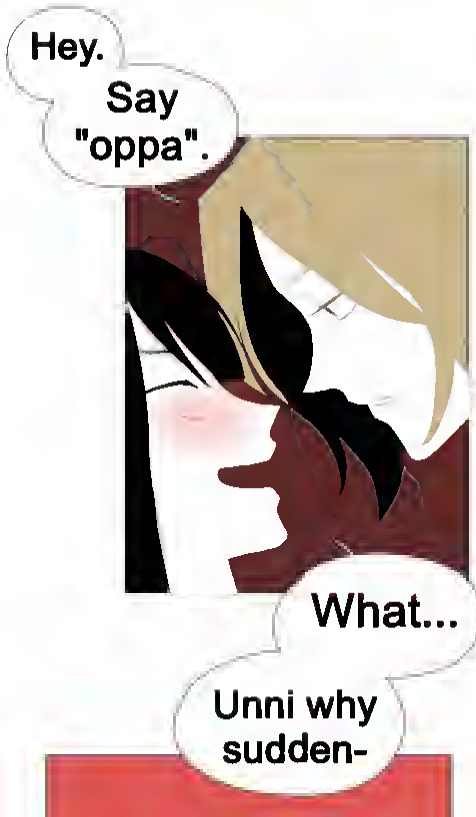
Why... you're the unniiii ! ! !!
Just let her go.
They got scared, won't you just let them be?

I bet 10'000W they'll start dating today.

I bet 20'000W.

Ahh fuck, heavy
ADT
Hee Hee
What the hell did you eat to be this heavy
Unni sorry if I'm heavyy

Unni,
I do really
AAH!
down

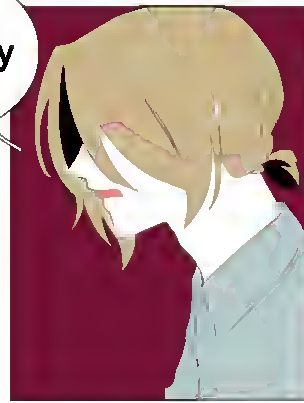


Hey.
Say "oppa".
What...
Unni why sudden-

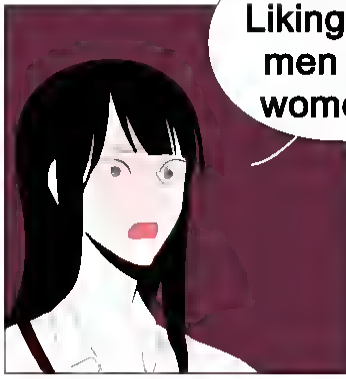
You what...?

You like

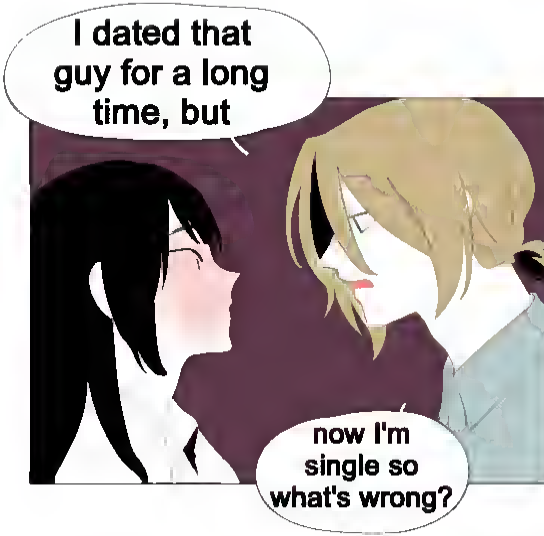
I don't like only guys.



Just, I like both guys and girls.



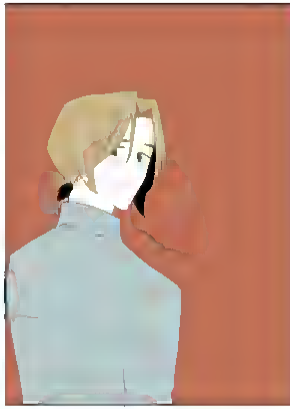
So I've just cheated, what did I do?



I dated that guy for a long time, but
now I'm single so what's wrong?

I'm afraid you're too drunk but, since you know the way from here just go.
Your house is around the corner, I don't have a car and you're heavy.

WHO
SAID I
HATE YOU?



That day, since there was nobody who bet on the "We're not dating"

and I got enough money, looks like I'll be drinking again.

We were about 22 years old then.

You're going abroad?

You're going to enlist enywey. I should go before it's too late.
You'll be discharged by the time I come back... we'll even graduate at the same time.
I want to earn e little more money. And I'll improve my english es well.
Without talking with me...
We're talking now. You're the first, I'll tell mum later.
Then what about this house?
I'll lend it to you.

Anxiety suddenly overcame me.

Even after being discharged,
she wasn't in Korea.

Ah, I'm out already.
How can I wait till next year hahahah
Anyway, it's okay now if we keep in touch often.
Ah? No... I'm going to earn some money before going back to school.
Send here too, please.

Director seid there's a spot.

I'll rest e bit and then go look for some outsource.

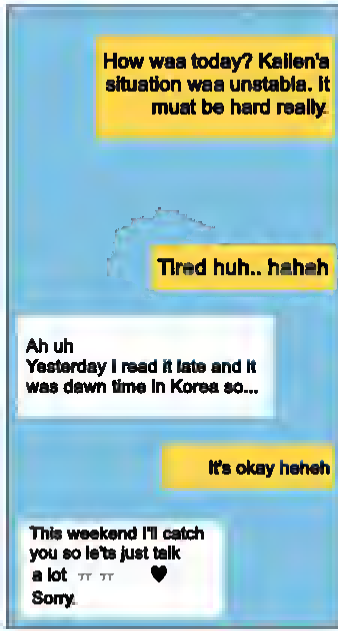
Hey, your voice cracks. Tired, eren't you?

Teke a rest. Let's talk leter.

After being discharged I thought everything would have been fine, but

actually there's nothing

We don't keep in touch well either.



How waa today? Kailen'a situation waa unstabla. It muat be hard really.
Tired huh.. haheh
Ah uh
Yesterday I read it late and it was dawn time in Korea so...
It's okay heheh
This weekend I'll catch you so le'ts just talk a lot ㅠㅠ ♥
Sorry.

When she was in Korea, i didn't feel uneasy.

Aaahh... but aren't you working?
Hay. I do but to get your call I got ovar for a while, it's sad really.
Hih got it. 5 minutes more and than go back.
Don't pretend to think about ba and gat soma rest.

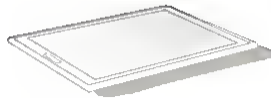
Even a call couldn't last for long because she was tired.

Is it hard like that?
Even so the weekend passed leisurely.

It's not like she had someone else there,
I did doubt for a moment but it was pathetic.

A love can't be true thanks
to tattoos.

I don't want others to think I have time to spare, so



I put down my mobile phone.

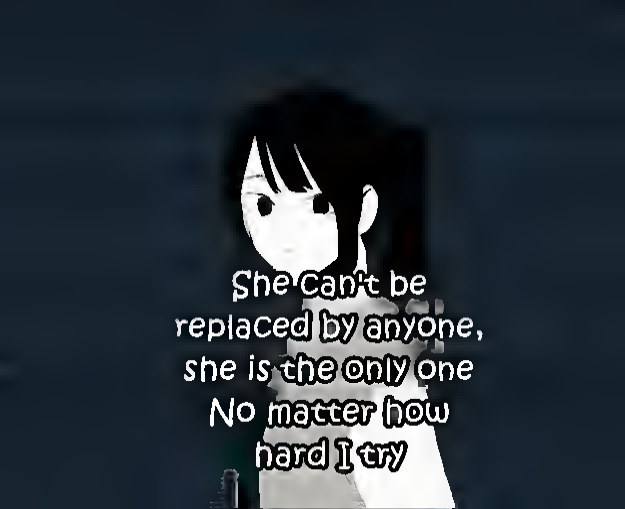
So I need to focus on work
and not think about
anything else.

I met new people.
People to be close with.

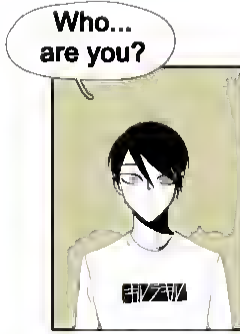
Thera ware also paopla who showad interest in ma, but

I just was on my own

I couldn't hava an affair iightly



She can't be
replaced by anyone,
she is the only one
No matter how
hard I try



Who...
are you?

Bang Min Gyeong?

I see...

You're a 3rd year-high schooler, yet you're doing a part time job. amazing.
Do you have an older sister?
Older sister? I don't.

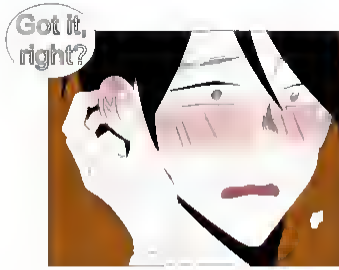
I know it won't do, but

I knew he wans't Min Kyung, but

Don't laugh with that face whila looking at me.

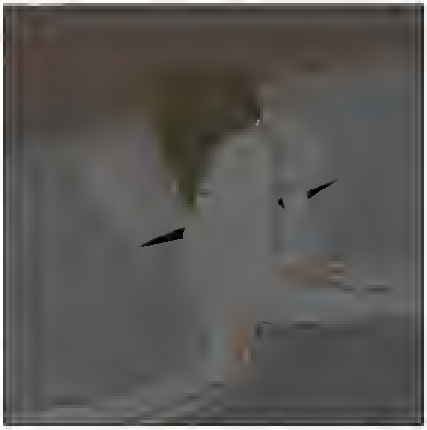
It's the same.
It's easy to ask someone out.
You have to make him miss and depend on you.
Huh?

Stop doing the thing you've been doing for him.



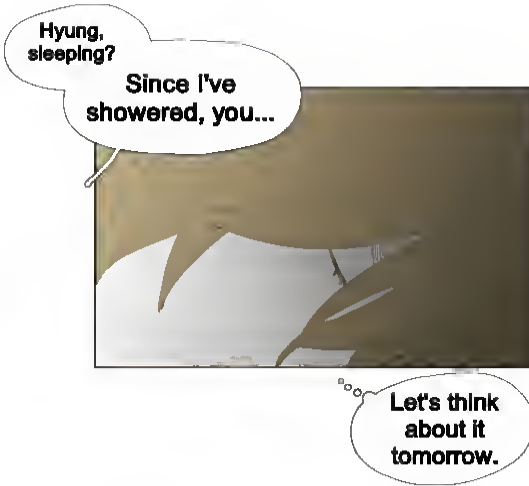
I shouldn't have been pointlessly nasty

I thought that, if I didn't touch him, maybe...



Just what am I doing?

He isn't garbage, after all...



Hyung, sleeping?
Since I've showered, you...
Let's think about it tomorrow.

If I say I don't remeber what happened yeatserday, he won't be able to say anything.

... that's what I thought.

It'd have been just a mistake since you were drunk...
What's with that question?
Don't you remember...?

Anyway, just until Min Kyung comes back...
Let's not call it dating...

I dug my own grave, huh.

I'm really trash.

They can't accept me anymore.

I can't ask for forgiveness.

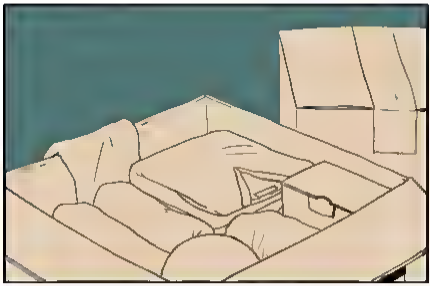
I shouldn't see them in my life anymore.

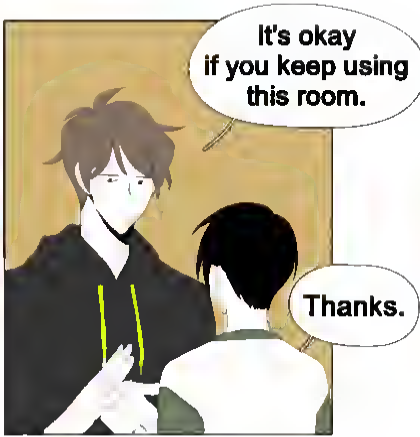
Even so I'm sorry...
Really sorry...

It's no use crying over split milk, but

I'm really

sorry.





It's okay
if you keep using
this room.
Thanks.

Good job.
And your father?
Father went to sleep right away.
Since he's a night creature...

You...

You had breakfast and went out, right?

This is the last one.
....
Wait just a little bit, it won't be good for you if you go hunting.
If you want, I'll go alone.

I wish Min Gyum would help you...
No.
Right. I agree, but don't you think his blood will be a good help?
But you don't feel well yet...

Yeah... I ate.

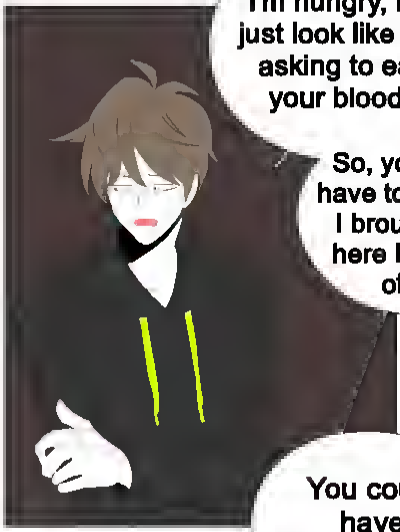
Aren't you hungry?
I'm not.
g u r r r

I... I'm...
I'm not hungry.
You're all skin and bones!

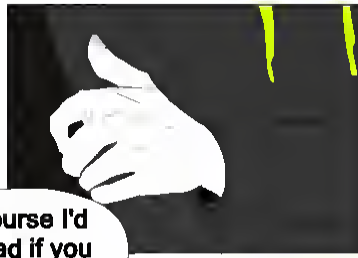
Yaah.
I'm hungry.

It's okay if it's not your blood.

Really?



If, if I say I'm hungry, it'd just look like I'm asking to eat your blood.
So, you could have tought that I brought you here because of it...
You could have misunderstood, so...

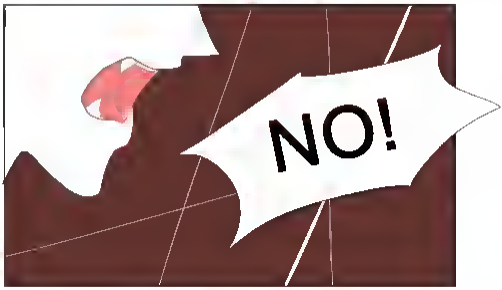


Of course I'd ba glad if you did so.

I won't force you. I won't hurt you either.

Then it's okay.

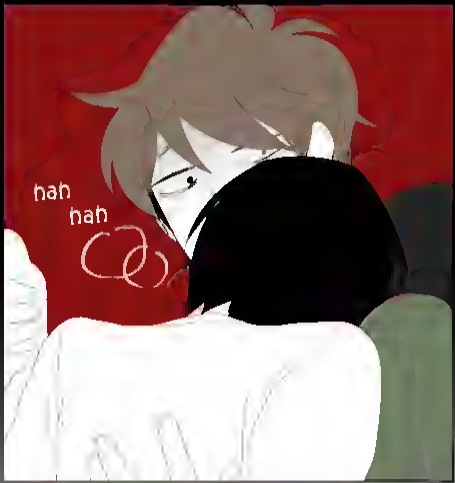
I won't get it wrong.
I feel the same, so.
I know that you cherish me that much.
You've been patient enough.



NO!

When you fainted...

swallow



hah
hah

In that situation, I...
AH, JUST EAT!!!
Ah!!

push

If you're going to pretend so well, speak properly.

Bite.

You can do that when you're hungry.
So, did you lick it back then? You didn't.
I didn't think you would have done it.

I'D FEEL GUILTY,
SO DON'T JUST STARVE LIKE A FOOL AND NOT EAT!
DON'T DO IT!
....

Since I have an excess of blood, whether you eat or not...

You won't force me to eat, no?

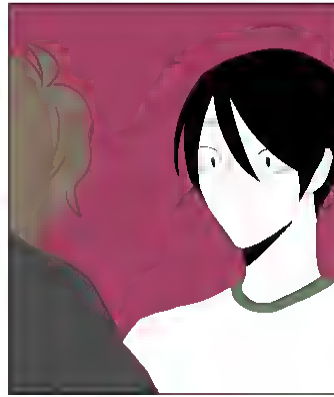
You know you can't do it if it's not me.

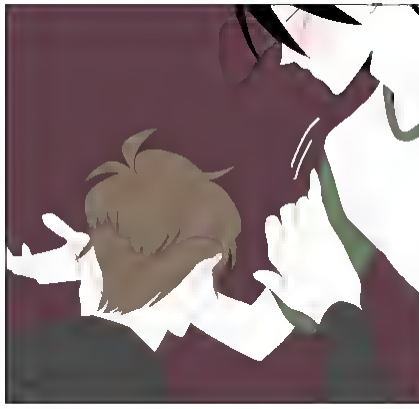
....

Yeah.
That's true.

AH!

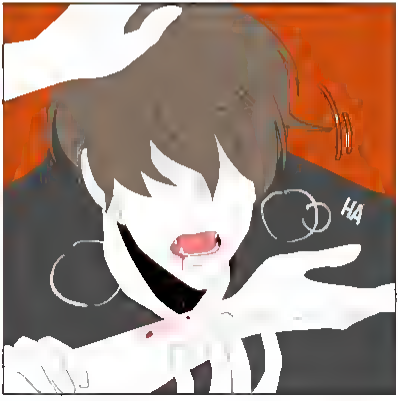
suck
suck





He was really hungry.

CHUNSAM
pat



HA

You're done?
You can eat slowly. I won't go anywhere.

?!

HEY! NOT MY NECK!

Ah, it hurts!

It hurts but he's hungry,
so I have to endure it...

SUCK
SUCK
He still needs to eat more, huh...

I feel
a little...

It doesn't hurt,

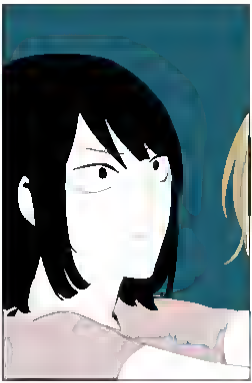
No. Recalling e good memory
at this point is wrong. Be realistic...

Still

Even our calls were fine,
so how...



Also, that guy who
looks like me...

I feel bad.
Since when was it?

No, why am I even curious?

It'd make me feel even worse, tho.

Aeh!
I've come here
elone uselessly.

I should heve
come with e
friend...

I've come here to heve fun.
Let's not overthink too much.

Make your excuses to the homeroom teecher. Okay?

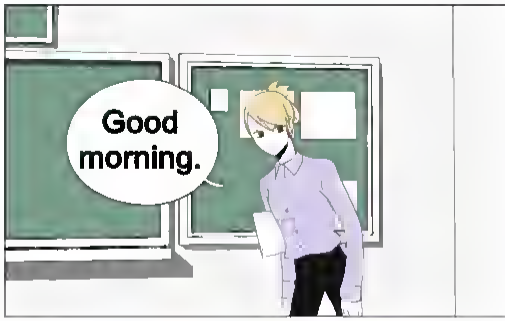
This is the worst moment in my life, really.
Especielly the vampire thing is so emerassing I can't even talk about it.
Delicious.

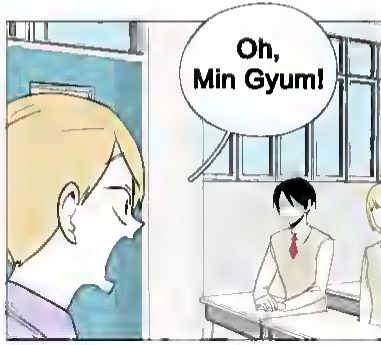
It's the first time for them to go to school together.
Looks like they're stick together egain.
Park Min Gyum was sick but doesn't he look in perfect shape?
I can't hear a thing of what they're aaying...
Hahahah your faca too looked better than the last time.
Did Kim Chun Sam cut hia hair or what... what'a so different.

Hey be quiet.
Can't you study silently?
What's with all this whispering...
Did you rest during the weekend? I thought you were sick.
Ah... I'm fine now.

I'm glad. Our homeroom taachar was worriad.
She naggad us a lot as wall not to gat sick.



Good morning.



Oh, Min Gyum!

You were really hurt...
I went to look for you since I couldn't contact your father either, but enother person wes living in your place...
Did you move?
Yes ...
Living alone when you're sick is sad for sure.
It must heve baen hard on you... You could have called at least once after you woke up.

By the way... I'm sorry to tell you this, but CAST* is right around the corner.

If you really want to attend K University you cannot make any mistake now.

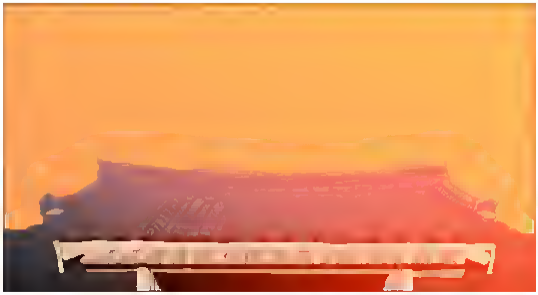
*entrance exam

You know what I mean, right?

When you were sick you barely came to school, but I apologize for what I said.
Choco chip
Anyway, you know you hava to do your best till the end.

Cheer up.

...
Cheer up.

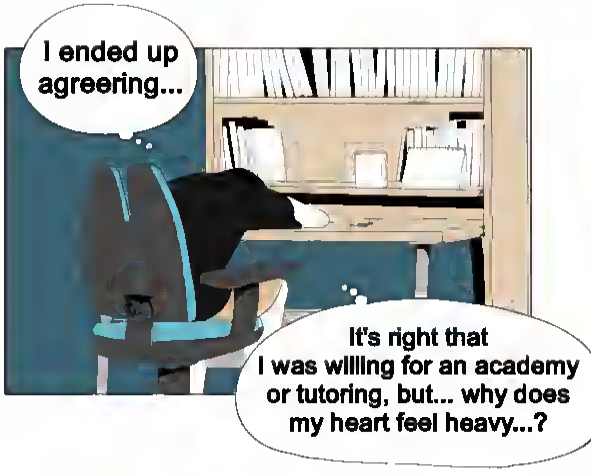


Chun Sem will come later when he's done at the ecademy.

Min Gyum.
Yes?

Should you take private lessons?

No. It's a littla...
It's okay. I've studied alone till now, after all...
You need to get used to it a little bit.
Don't worry about money.



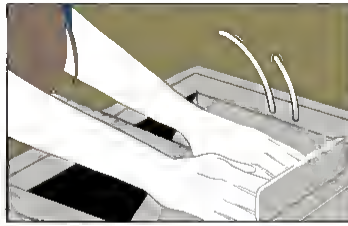
I ended up agreering...
It's right that I was willing for an academy or tutoring, but... why does my heart feel heavy...?

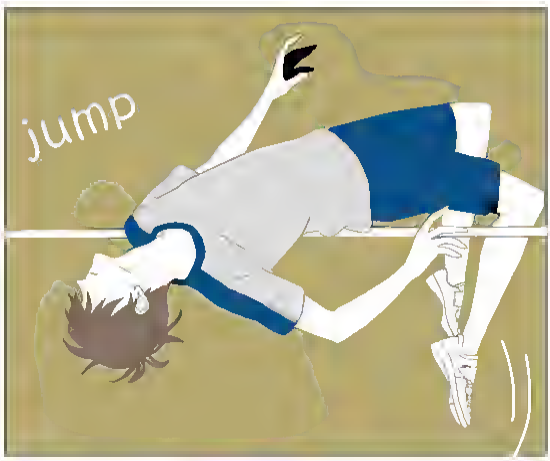
I'm glad they support me, but...

it's not easy to catch my
heart again and feel at ease.

While I was struggling like this, other guys were probsbly solving their problems.

God... really...
my mind is a mess.





jump

Oh, Kim Chun Sami
I thought you were nothing special, but you seem to be really good!

If you just practice and send an application form, you can go anywhere!
There's nothing you can't do.

Th... Thank you.

11:27PM

Let's sleep early today...
My head hurts. I can't even read a book.

Since I'm alone, it's so big...

knock

Ah!

Sleeping already?
Ah, was it you?

I have many thoughts, so...

I have something to brag about.
Brag?

I've received compliments from the director.

?
Compliment me please.

Wasn't it hard?
It wasn't, since I ate well before going.
Good then.

Anyway, whet's wrong? Why do you feel like this?

Mother told me to take private lessons.

But I'm not sure I can do well, since I heve just errived here.

Give me a hug.

You'll do well.
Enough to teach me well. Just like you've done so far.
You can do it.

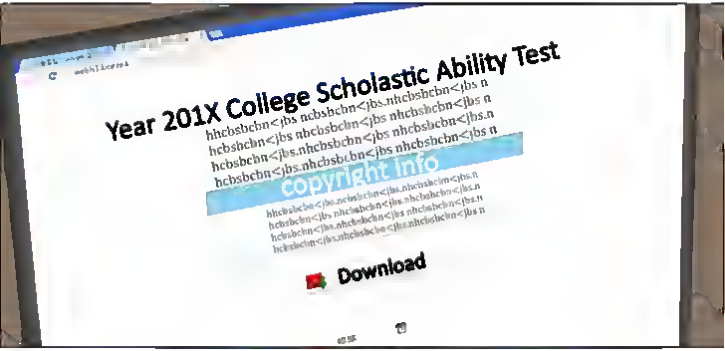
No way. What's wrong with that.

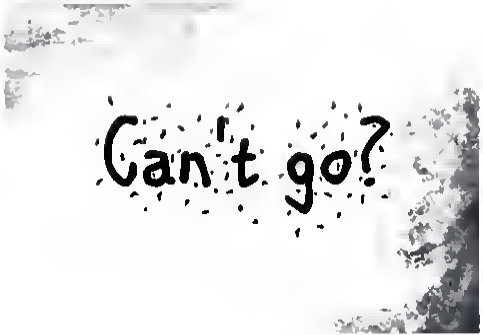
I was ready, yet

I couldn't make a difference
with Kim Chun Sam? Nonsense.



No matter how much he did well,
he doesn't think so?

I CAN'T



Can't go?

The scores are enough, so your acceptance won't be hard, but
if your father doesn't help you out...
Surely there are also loans for school expenses, but when you graduate it'll be hard.

Since tuition fee is a burden for me I was worried, but then I didn't expect to worry because of my grades.

The school I can attend with my grades... aah. I don't even wanna think about that.

I originally wasn't like this.
I kept living quitely but...

after changing school evevrything
has become difficult.

We may even stay apart.

What can I do.
I already miss you.

A girl?
My sister you met.
Ah right. She's Min Ji.

I wanna go, as well.
Why?
You idiot, meeting Min Ji is just an excuse.
Let's go together since I owe you a thing.

I don't want Min Ji to know that.

I'll take you home.

You have to attend school anyway.

If we met again I'd like to apologize properly...
No. Telling her I'm sorry would make her madder.

Whatever I said it's sound like an excuse,
I don't want to think about that anymore.

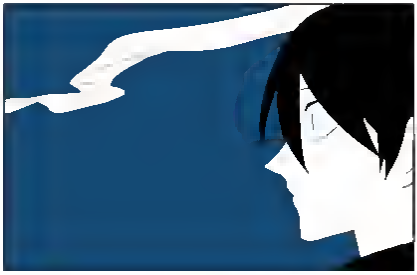
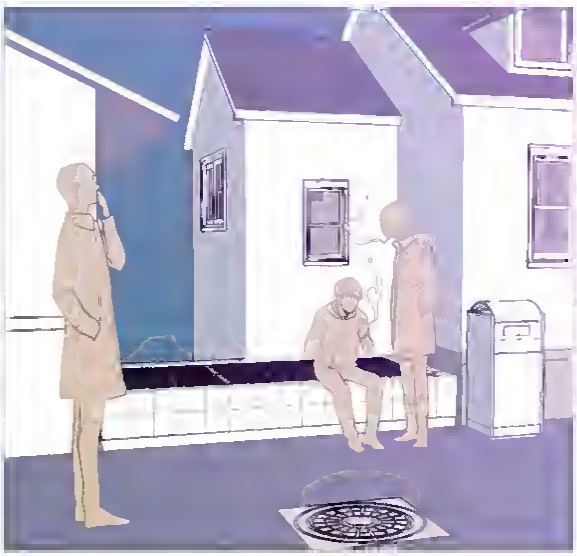
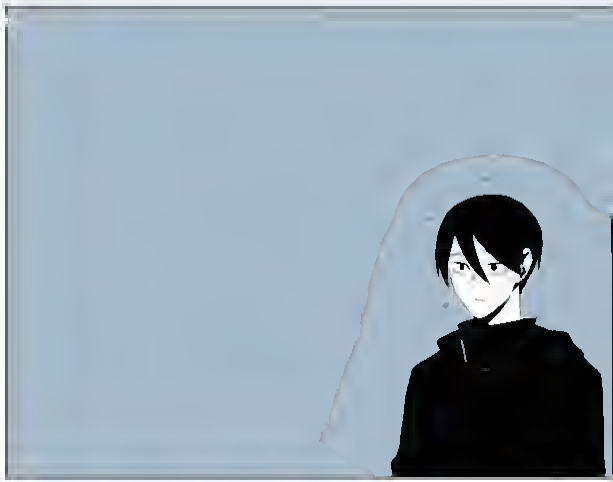
He's been busier since Art CSAT has started...







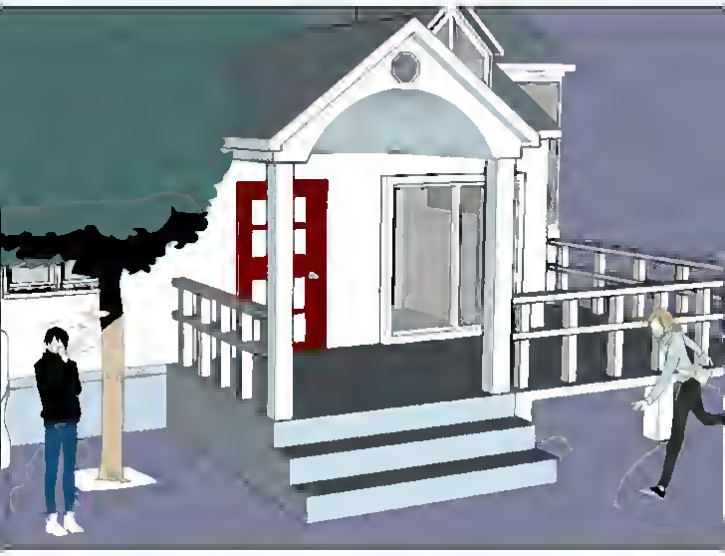
Hey, what about not doing class and finish early today?
Since you'll spend a lot of time here, keep being firmly determined!

When you have days off, stay out of trouble and go straight home!
Yees, Mr.

Kim Chun Sam, we're going to a meat buffet restaurant, want to join us?
Still going to eat?
You should eat some protein!
I live far... but thank you for asking.

You've never had a snack either. You're really uncooperative when it's about eating.
Tsk. As you wish. Go rest.

He's still with his sister...?
I've finished quickly.
I'va finished now but I wanted to ask him what should I do.



I really want to go to downtown

So this it the nasty smell of a cigarette.

Is it this smelly?
Whether it smells or not

It's not a thing you've started to do on your own.

I don't want any trace of him on you.

You're mine.

You're only mine.

Even if they wanted to spend

However, even if they wanted to enjoy they couldn't, because they just wanted to sleep and rest

money...?????
Yes.
It's not a credit card, so don't be scared.
For me board and lodging is enough.
I REALLY MEAN IT SO THAT YOU TOO CAN LIVE WELL.

Don't feel pressured. I put in it as much as Chun Sam gats.
Students can't handia too much money.
But... Evan so...

You're part of our family now.
Is it weird that parents give their sons pocket money?

Ah...
That... Taking it is...
I'm not used to getting pocket money.

If it's this hard to you
What about helping me out with my job?

Can...
Can...
CAN I REALLY DO THAT????
Won't you believe it?

It's a honor!
I'll do my best!
Sure, aigoo
you're better than
Chun Sam!
Your hands
are strong.

I'll give one to Chun Sam too later.
is it okay like this?

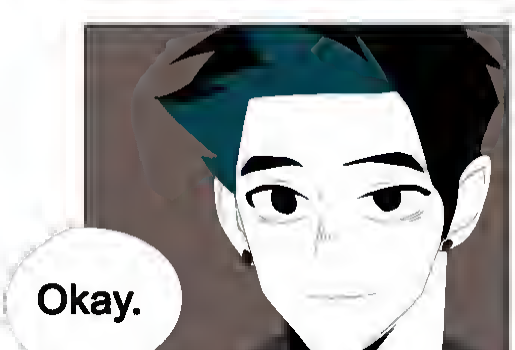
Me too...
Oh, Thank you.

I feel insecure about tha high jump.
The coach will ask me to do more.
Why?

Well, of course because you're the best one here.

I only do as he taught...
Are you kidding? Hahah
I also do as he said.

Can you give it a try?



Okay.

Since I told you I'm not good at it
Please understand my being lame.

Who's it?
Your girl? Is she pretty?

Hey Hwang Tae Yang. Where are you going?
I asked Chun Sam to help me out with the high jump.

What the hahahah like a dog hahah
Not like a dog, it's just learning you idiot hahah

Don't worry and let's get going.
You're being so clingy you made Chun Sam feel uncomfortable.
Heeey, hold on!
Is helping me tiresome?

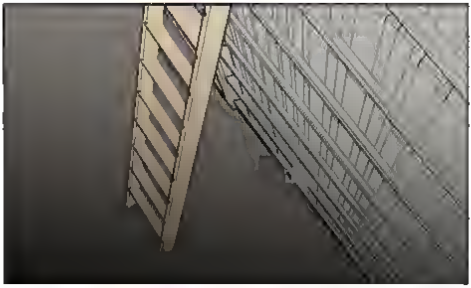
U-Uh...

Ah... I'm envolus that you're tall! hahah
Anyway, I'll stop if it makes you uncomfortable.
So, let's go.

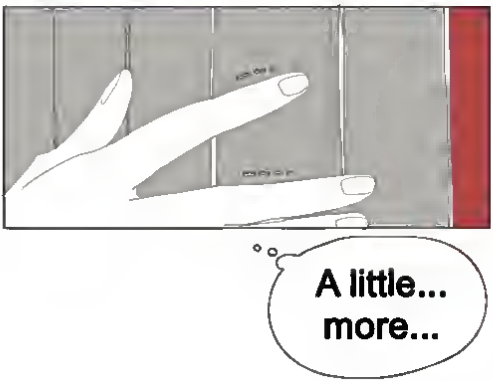
Wow. Thare are really many books!
This is how a good library look like...!

This old place has a strong smell of dust...
138... is it here?

Ah, why is it over there.
I've come up here for nothing.



I can reach it with my hand.



A little... more...

I got
home.

Welcome back. You look happy. Wasn't school hard?
I spent some time with friends...
Anyway father, I heard you gave Min Gyum some work.

Since also Min Gyum Is part of our family, I told him I'd have given him pocket money but
Because I called it "pocket money" he was feeling a little uncomfortable.
So I thought to sent him to the data room and make him put some order there.

Maybe he's in the room 1 now?
What...? There...

Phew...

Oh

Ooh?

Oh, I'm here!

ARE YOU OKAY?
ARE YOU HURT?
I'm fine...

I can't stand it. I will talk with father.
Don't!

It's been just my fault for being careless.
If you are like this, your father will overreact.
It'll be awkward for me, as well.

Then what where you going to do if you got hurt?
But I didn't!

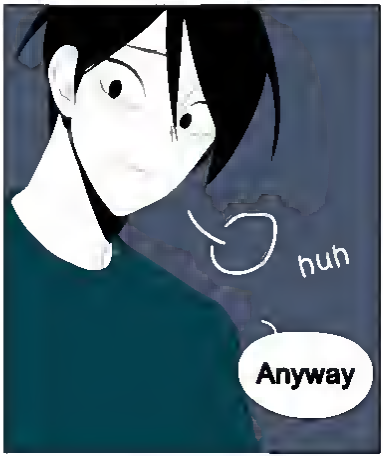
When will you finish?
I'm almost done.

Can't you stop and go to sleep?
It's a work that Mr. Gr... no, father gave me, I have to do it well.
Go to sleep if you're tired.

He didn't say it's urgent tho.
Still, I want to finish it in advance.
I can sleep at school, so I need to focus on work at home.

Anyway, if you want to sleep it's better if you go to your room.
???
Why??

Hm...
If an unmarried couple in its 20s sleep together in the same bed
won't parents get worried?
Then let's get married.



huh
Anyway

Since this is my room, you go to sleep in yours.

I can't believe he really did it...

Mum.
Would you get worried if Min Gyum and I slept in the same bed?
Uhm...

Honestly, you two are still young

You are both guys, but when a boy and a girl sleep together

Wouldn't most parents worry?

Anyway, what was Min Gyum doing yesterday that he'e sleeping like a log?
Fether geve him some work to do so he went to bed late.

He's really working hard.
Yeah.

You're done already?

Good job.

Ah, can you please look for the volume n. 276 and bring it to me? It's a thin book.
N. 158 as well.
Yes.

I'm here.

Eek, it's too far.

This one, right?
is it, but... why are you doing my work?

When you write with a pen, is it you who writes or the pen itself?
What are you talking about?
?

If you think of me es a tool to take the books
you'll be the one who takes the books enyway, not me.

...
I guess so?
You've become more clever, Kim Pen.

Then take n. 158 too, please.
I want to be paid for this.

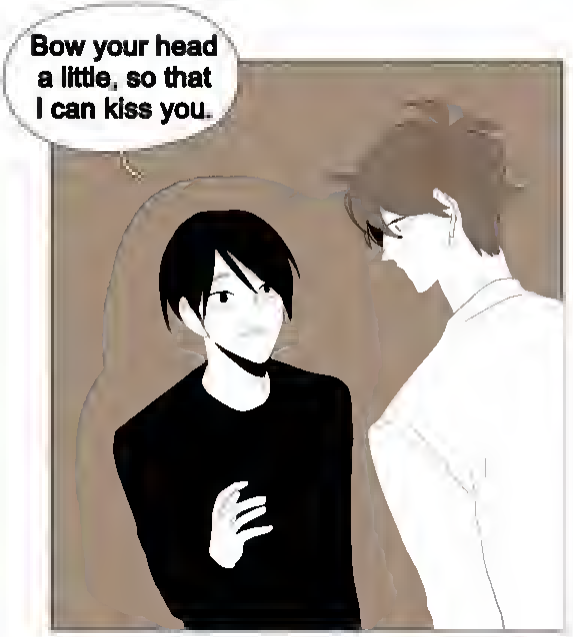
Hey hey, come on.

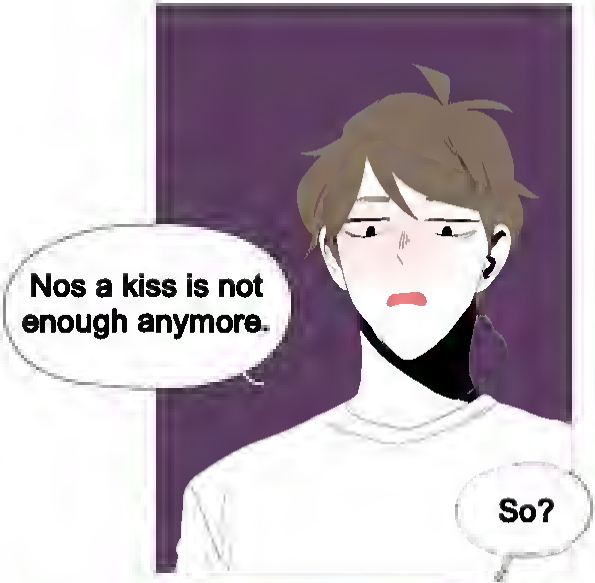
Chun Sam is strong. Be careful.
Is he?
Yeah...
Because you suddenly pricked my waist...
But you're not a bad guy, or?
I'm not actually...

Right.
I can't spend all the day with Min Gyum.

Now I should become closer with these guys too.



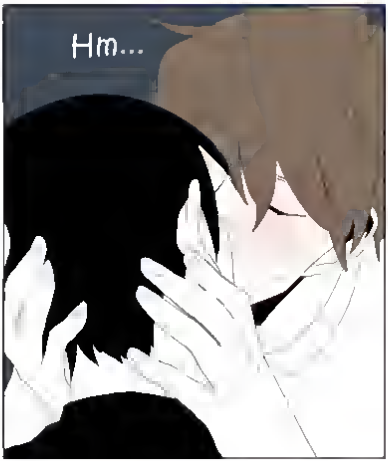
Bow your head a little, so that I can kiss you.



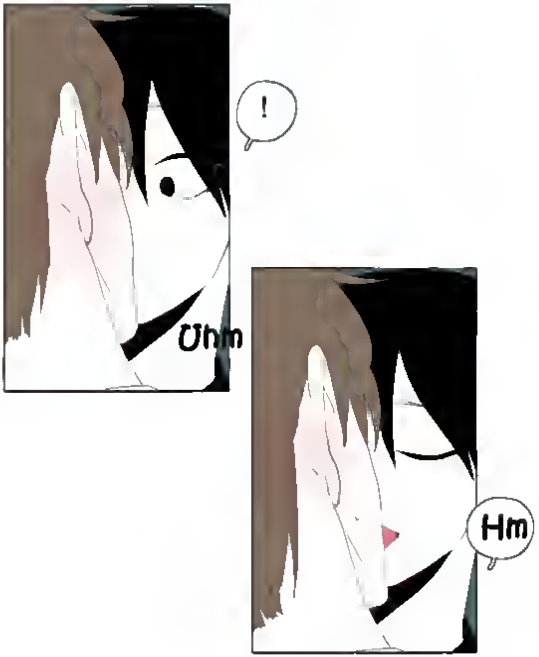
Nos a kiss is not enough anymore.
So?

A deeper kiss.

hah...



Hm...



!
Uhm
Hm

Have you ever kissed your girlfriend?

...? I did. Ah, pheraps...

Yesterday ...

Anyway, be careful. Being in a relationship is difficult.
Don't you know it is forbidden in our school? Especially for 3rd years.
Really?
You have a girlfriend anyway.

I think you too have one.
I'm pretty sure about that.

I won't do it.

Since I can write without a pen but using my fingers, I won't need your help.

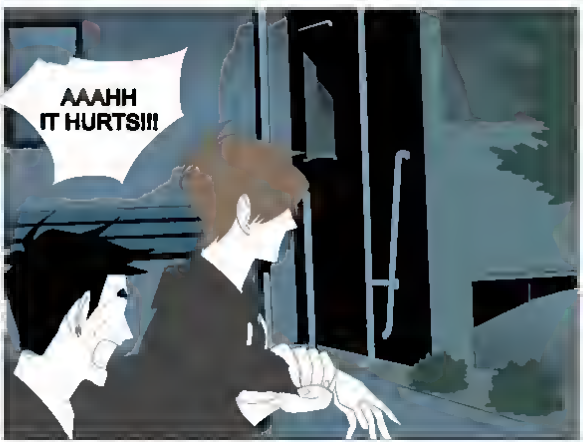
It's funny like this...

What are you doing?
Are you a snake?

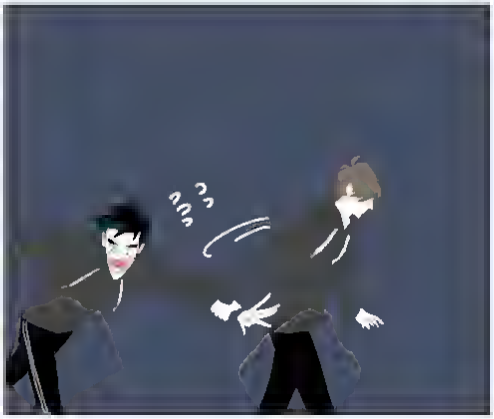
Tae Yang.
Let's talk.
About what?
Let's go out first.



AAAHH
IT HURTS!!!

It should be this building?

AH, HEY! CHUN SAM, I SAID IT HURTS! WHERE ARE WE GOING?!



What?
Hunting?

You've kissed your girlfriend, right?
....??

Th... That, how do you do it?

You did?
I did, but... this is funny...

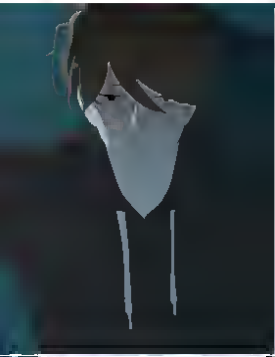
So... you want me to teach you how to give a kiss?
A deep kiss.
Yes... you seem to be good at it.

What's the big deal? It's like writing a letter.
???
I will teach you.
First, come closer.
??

While staring
at (his) eyes,
create the mood.

Since I'm acting as your girlfriend now, try to get emotional.

Hehehe
Oh, your face has turned red!
Shut up.



Ooh fuck, I knew it'd have turned into something gay.
I'm suddenly getting all excited?
What's going on
?
You. You're doing well.
Really...?

The you close your eyes, or tilt your head a little without evolding eye contact.
Tilt your head, oh. Do it like this while coming closer little by little.
Ah, I'm getting nervous for nothing.

Then,
you slightly...

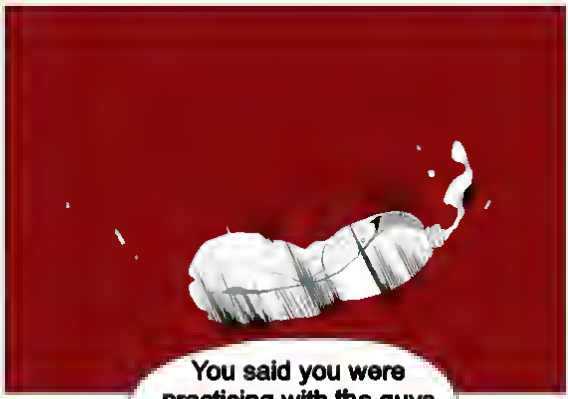
AAAHH!!!

SPLASH

What
the

Me?
I'm his "girlfriend"?

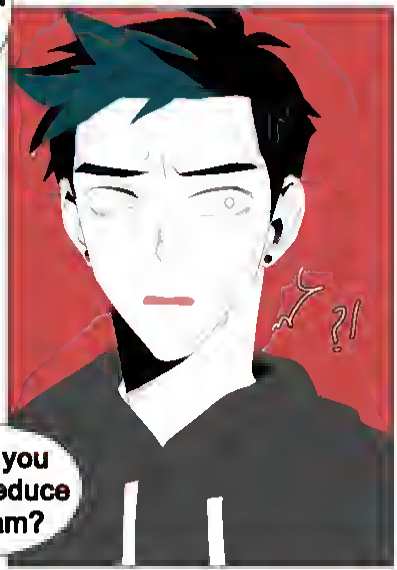
Hey. Chun Sam. Are you in your right mind?



You said you were practicing with the guys but you're rubbing each other's lips

and you think I like it?

You're practicing with this even when you didn't know if I'd have liked you doing it?



Hey, are you trying to seduce Chun Sam?

Hey, don't get it wrong! I'm straight!
I have a girlfriend!
We were just practicing!
What'd you have doine if i were a girl seriousiy???

Believe me!
I'm just a guy who happened to be stuck in this situation!!!
AAH I'M NOT AN ASSHOLE!
I'm not gay either!!!!
I'm going crazy!!!!!!

Hey! You too, don't be quiet and explain this!
pat
pat

He's right... It's not Tae Yang's fault.
I asked him to teach me.

Hey. You.
I need to talk to him, would you get lost now?

Better to
run away

Let's move to another place.

Since you're working hard I came to give you a speciel treat, but what was it with that friend of yours...

Kim Chun Sam.

You, you know what kind of person I was seeing before going out with you, don't you?

I do...

Then you also remember how I acted and what I did back then, right...?

....

Why were you gonna do it with him?

You like him by chance?

WHAT? NO WAY!

How can you say that I like someone else so easily?

Tae Yang is really just a friend.
He even has a girlfriend and he's all friendly with everyone.
Since i'm the shy and lone wolf type, he's approached me first.

It's not relevant.

You know, in this world, there are people who seduce men even when they have a girlfriend...

What if he's that kind of guy, what am I supposed to do then?

If he was just making excuses before and seduced you

who knows whether you'd have given in?

... I've just told you that I asked him first, so...

I wasn't really worried about that.

It doesn't matter.

It's good to do it with you.
Even so, if you wanted to practice you should have done it with me!

I, I thought you didn't want to because you were avoiding it

I mean, everytime I look at your face, I go to you because I want to kiss you
Give me my payment.
but I wasn't sure wheter you liked it.
That was too obvious. So I had to act that way.

Sometimes...

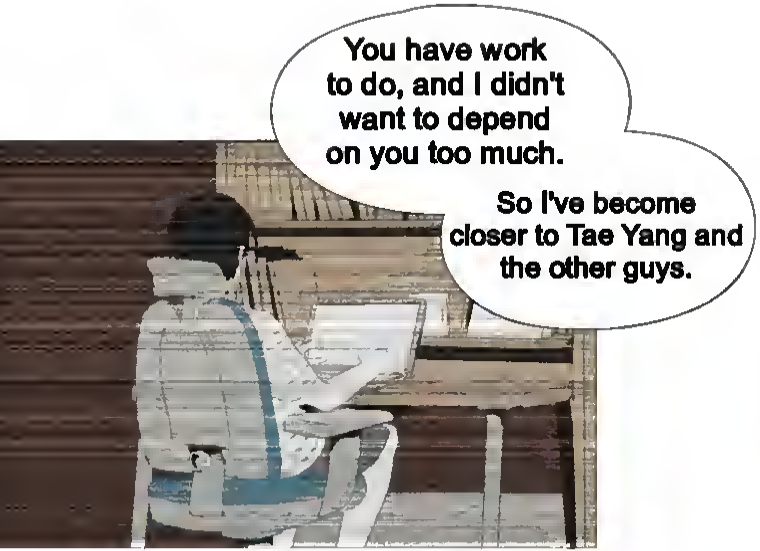
for example, I tend to ask you how was your day, just to be comfortable with you

so, can't you do the same?

Since when you've started working for my father, you have no interest in me anymore.

After I come back home, I don't heve much free time before going to bed, but
you always have to finish your work.

I waited for you but in the end I went to my room and slept alone.
And you fall asleep while going to school.
How can I spend some time with you, like this?



You have work to do, and I didn't want to depend on you too much.
So I've become closer to Tae Yang and the other guys.

Since it seemed like you didn't have time to spend with me.
So, if even our lips stood in front of each other
this way, I thought I'd have baen a more special person to you than my fathar.

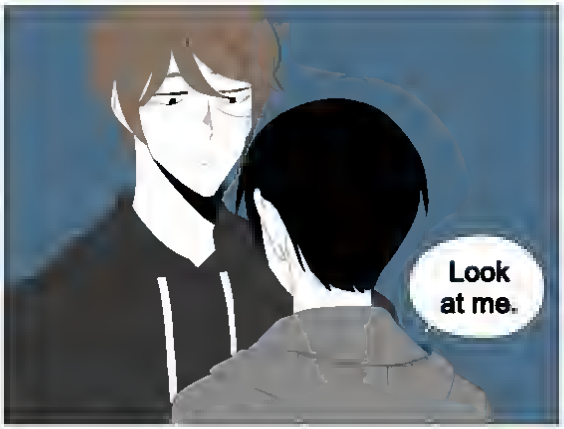
Don't make
me jealous of
my own father.

I'm actually busier, so
shouldn't you be the one who wants to see me more than I do?

.....

I won't do it anymore.

Don't say you want to break up.



Look at me.

Before going home, I'll finish what you were doing.

I haven't seen anything, and I haven't heard anything either.

So, whatever the reason is, do this only with me.

Just follow what I do.

My friend... the one you met before...
He was doing kiss practice with him.

Since i ieamt his "partner" was your boyfriend and I got angry at him...
What. With a guy?
OH MY! I said it carelessly!

I-Isn't it weird? Aren't you engry?
I'm the only one mad here?
If it's about a person you don't knwo, than you could have bad thoughts. But, since it's Tee Yeng, I can understand.
When guys are comfortable with each other they do play like this.

I'm sure they found it funny doing it. He's in trouble now, but
he wes seriously helping your friend after eli. Since he's good at it.
I don't wanna hear this again
DON'T SAY THAT WITH YOUR SMALL MOUTH!

Anyway, Tae Yang is a weirdo so i somehow expect this from him.

I'd have killed here if it were a girl.
I was getting nervous since you were this serious!
Anyway, since he's the first boyfriend I have, it's okay if you don't like him.

Shall I properly introduce him to you? Your first impression of him is too bad.

Wanna go somewhere nice with me?

Tae Yang oppa saved you, that time.
But I'm still scared because you approached me from behind.
I see... sorry.
So... when are you going to tell me everything...?
Where to start...

That day he came to have dinner at my place, but

I didn't know why he wes feeling uncomfortable, end he left in the middle.

I wanted to take him in front of his palce, but...

It's been hard on him.

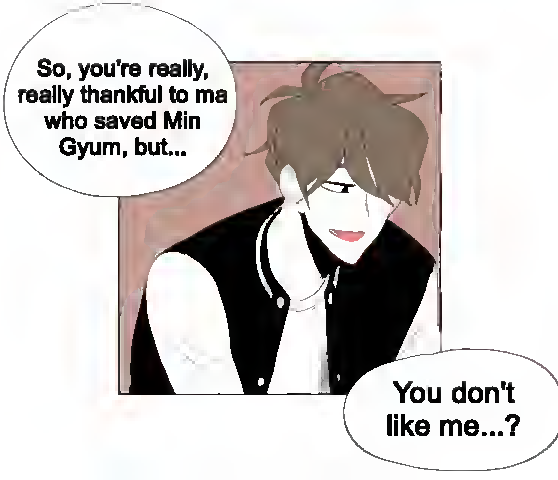
If you didn't contact me that day
Min Gyum'd have just died.

If that day I didn't pack a ricecake for him for his CSAT,
if that day I didn't think about him,
I didn't know where he was and that he was having a hard time...

You're really
a special person
to him, then.

I panicked, but I'm
his one and only sister, so

I want to open my heart
a little more and get along
with him wall.



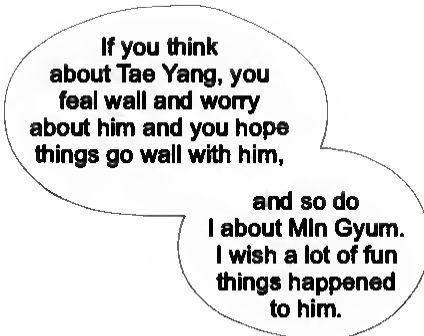
So, you're really, really thankful to ma who saved Min Gyum, but...
You don't like me...?

....

... you want Min Gyum to break up with me?

....

Hm... it sound like a difficult thing, but...
I should have been a girl, right?
I wouldn't have been pretty tho



If you think about Tae Yang, you feal wall and worry about him and you hope things go wall with him,
and so do I about Min Gyum. I wish a lot of fun things happened to him.
I wish he stayed with me and he became happy.

Vitality!
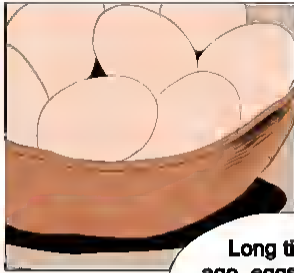
Don't say such things, it's okay.

But I have to eat it all by myself...?
Eat a lot! I'm fine just by seeing you eating!



Long time ago, eggs were very precious, but...
the world has got a lot better.

How long has it been since you changed your body?

Not sure. I lost count. It's useless.

Either Chun Sem was older or the people around him were older

Time goes on spiraling.

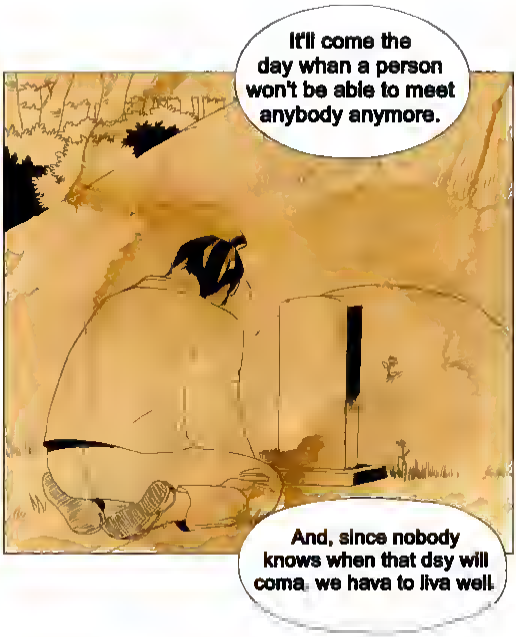
You shouldn't
hide your hardships
from your family.

Don't be proud
of saying you hate tham worrying and you want them out of your life.

It's good to overcome hard times together.

That's what family does.



It'll come the day when a person won't be able to meet anybody anymore.
And, since nobody knows when that day will come, we have to live well.

I want to, but I ruined avarything.

I'm not going to K Univ.

I don't want to starve as before either...

But Min Gyum should attend the school he wants to.

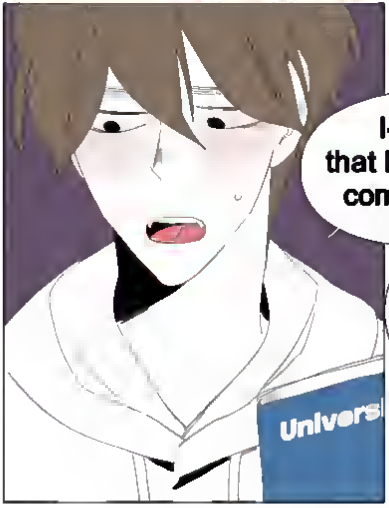
Thinking about starving...

... I hate this side of myself.

Even so...

I still want to stay with him.

What's wrong?
I'll try to talk to him.
A while ago... I had some thoughts I couldn't tell you, but...
Why don't you try to apply for y Univ. as well?



I-It's right that I want you to come with me.
I may sound immature, but I don't want to be far from you.
Univers

Surely there'll be some better school, but still Y Univ...
Also, if you read this, you can major in education here as well. You didn't know, right?

If we both attend Y Univ. together
living in the dormitory, we won't get stressed too much. or we can save some money and rent a room.
No reaction from him... I didn't know...
If your grades are good enough, you could also get a scholarship.
Of, of course it's not like parents won't think about tuition fees or living expenses, but still...
